AGREEMENT TERMS AND CONDITIONS – 2016-2017

This Student Housing Agreement, consisting of this License Terms and Conditions, Campus Housing Policies, Wright State University Student Handbook, and all documents referred to therein, is entered into between Wright State University, and the Resident executing the Terms and Conditions Signature Page.

A. General Terms

Wright State University provides residence facilities for students as an integral part of its educational mission and as an academic support service. Upon return of the Application/Agreement and prepayment/deferment, the student will be guaranteed a room assignment and hence be obligated to the full term of the agreement. By applying online or in writing and verifying my information, I hereby accept the Terms and Conditions of the Campus housing Agreement and contract for a space in campus housing. The Housing Agreement is a legally binding contract. When the Agreement is electronically signed, serious legal and financial obligations are created. Please review the Terms & Conditions prior to applying. If you are under 18 years of age, you must review this information with your parents, and you are verifying their consent on the Housing Agreement. A room assignment will not be made prior to the receipt of the signed Application/Agreement and prepayment. A Student Health Services medical form is required prior to occupancy to prove immunization. Wright State University reserves the right to deny housing to anyone who has been convicted of a felony or misdemeanor.

B. Fees/Payments

The balance of both the room and board fees are expected in accordance with published due dates or by use of the Student Installment Payment Plan (SIPP). All rents are payable without demand or notice before the date set forth, and shall be paid to Wright State University, Office of the Bursar, 3640 Colonel Glenn Hwy., Dayton, OH 45435-0001, or at such other place as the university or its assignees may from time to time direct. Students may make payments and view their Bursar account at: http://wingexpress.wright.edu. Payment due dates are specified on the semester billing statements and are also available at the Office of the Bursar. Failure to remit payments by due dates will result in a “HOLD” being placed on a student’s academic record and may result in a late payment penalty. All accounts that are referred to collections are subject to reasonable collection costs, including attorney’s fees and other charges necessary for the collection of any amount not paid when due. These provisions shall in no way prevent the university or its assignees from exercising any other remedy available under the terms and conditions of this agreement or the laws of the State of Ohio as specified in the Ohio Revised Code.

C. Policies/Procedures

By submitting the Application/Agreement, resident students agree to accept and abide by all Residence Life & Housing and university policies, procedures, and regulations and to accept any living unit space as assigned. Residential students are expected to read and abide by the policies, procedures, and regulations published in the Campus Housing Policies as appropriate, which is an addendum to the Application/Agreement, and the Wright State University Student Handbook. These policies, procedures, and regulations may change from time to time, as designated by Residence Life & Housing.

To avoid any misunderstanding concerning Wright State University, the student is advised that University staff neither enters into any oral agreements, nor make or rely on any oral representation concerning the Terms and Conditions. The entire agreement is expressed in writing and the terms and conditions supersede any understanding by the student that may have been communicated verbally. Neither the student nor University may rely on any oral agreement or representation for any understanding of fact or law that is not expressed in writing.

A current version of this document can be reviewed at http://www.wright.edu/housing. Violators of these regulations and procedures may be disciplined by a Conduct Review Panel or university staff, according to the due process procedure explained in
the Wright State University Student Handbook or Campus Housing Policies. A current version of the Campus Housing Policies can be viewed at http://webapp1.wright.edu/housing/policies.php.

G. University Cancellation

The university reserves the right to cancel this Agreement for reasons including, but not limited to: university response to violations of the policies, procedures, and regulations as published in the Campus Housing Policies or Wright State University Student Handbook, such as trafficking of controlled substances, weapons violations, and as a response to cumulative disciplinary history with the university, non-payment by student, and in the response to facility emergencies resulting from fire, excessive water flow, weather damage, and Residence Life & Housing’s response to rental and/or damage history.

A college or university may terminate a rental agreement with a student tenant prior to the start/expiration of the term of the agreement and require that the student vacate the dwelling unit only when the termination follows a hearing in which it was determined by the college or university that the student violated a term of the rental agreement or violated the college’s or university’s code of conduct or other policies and procedures. The hearing must be preceded by a written notice to the student, must include a right to be heard, and must otherwise comply with the college’s or university’s procedures for disciplinary hearings. The written rental agreement must specify the conditions under which the rental agreement may be terminated and specify the college’s or university’s notice and hearing procedures that will be followed in making a determination under this section.

If a student is removed from campus housing as a result of behavioral misconduct and as determined by the University Discipline
Process, the student will receive no refund for the percentage of time remaining in the contract. Removal from campus housing does not relieve the student from responsibility of previous debt, damages or rental obligations unless the misconduct is considered a trigger event.

H. Enrollment Requirements

Rooms are assigned to students enrolled at the university for the fall, spring, and summer semesters. Summer semester residents not taking classes must be pre-enrolled for the ensuing fall semester if they wish to obtain a contract during summer semester.

Assignment to a residential community and/or a particular roommate is based on the residents’ preference(s), but is not guaranteed.

Final decisions regarding room and roommate assignments are made by the Director of the Residence Life & Housing and his/her designee. The university reserves the right to assign residents in non-single accommodations without roommates to vacancies in other units. Vacant units are thus available to meet other short-term university needs. Except for consolidating vacancies, no changes of assignments are made during the first week or the last week of any semester. At other times, changes of assignment are made at the request of the occupants of each residence unit involved and with the approval of the residential community or assignment staff or to consolidate vacancies. In addition, the university reserves the right to change any assignment. The right of occupancy in any residence is restricted to the students who have an accepted agreement and have been assigned to that unit. Assignments are not transferable. Overnight guests are only permitted with the consent of all other occupants of the residence unit and in accordance with the overnight guest policy. Residents are responsible for the conduct of their guests at all times. Additional information concerning this section can be reviewed at www.wright.edu/housing.

O. Failure to Prepare for Arriving Students

Vacancies may be assigned by the Residence Life & Housing at any time to students who meet eligibility requirements and desire to live on campus. For this reason, campus residents that have vacancies in their units must not use space or furniture that is not assigned to them. Shared unit spaces, such as bathrooms (and kitchens or living rooms, in the case of campus apartments), must be used by residents in a conscientious manner that ensures that the unit will be desirable for a new resident. Efforts will be made by maintenance and/or custodial staff to prepare vacant space for newly arriving students. Current resident(s) who do not make vacant space acceptable for use as described here will be charged a fee of $150 and/or subject to judicial action.

P. Residence Unit Entry by Staff Members

The University shall have the right to enter the premises occupied by the student for the purposes of emergency, health, safety, maintenance, management of applicable rules and regulations, or for any other lawful purpose. Residence Life & Housing staff members are authorized to obtain treatment or admit a student to a local hospital, if necessary. A reasonable effort will be made to contact parents or a person designated by the student in the event of an emergency requiring admission to a medical facility. The health information form online/mailed with the agreement must be returned to the WSU Student Health Services prior to occupancy. Failure to return the form may result in a “HOLD” being placed on a resident’s academic record. Physically challenged students may be required to verify appropriate attendant care as determined by the Office of Disability Services in order to maintain occupancy. Residents requiring special or adaptive equipment, including assistance animals, must provide those items at their expense with the prior approval of Residence Life & Housing.

Students assigned to expanded accommodations will be advised of the same prior to arrival on campus or at the time of check-in. III. Campus Communities Terms and Conditions (College Park, Village and University Park)

A. General Conditions

All terms and conditions for the campus apartments supersede the terms and conditions of the residence halls. The university agrees to provide space to the student in consideration of the housing Application/Agreement, and all applicable Terms and Conditions. The Resident will not assign this agreement, nor sublet the unit or any portion of his/her assigned space. The Resident may, however, sign a Replacement Lease Request for consideration of another qualified student, not already under a Campus Housing Agreement, to accept the remaining terms of the original agreement upon approval by Residence Life & Housing. The Residence Life & Housing office will attempt to find a replacement, BUT ultimately the student requesting a replacement is responsible for their contract if a replacement is not found. Students who wish to be replaced are strongly encouraged to actively seek their own replacement.

Campus apartments shall be managed by Residence Life & Housing (or party designated by the university or its assignees). Regarding the Housing Agreement, the student must communicate in writing to Residence Life & Housing and the Residence Life & Housing will, in return, issue a written response. From time to time Residence Life & Housing will issue written notices or demands regarding adherence to the Housing Agreement, and/or applicable Terms and Conditions. Residents are required to respond to these notices or demands.

B. Prepayment and Fees

The full prepayment initially submitted with the agreement will be applied toward the first semester’s room charges. The resident is obligated to the agreement and responsible for all related expenses, regardless of student status once the agreement and prepayment are submitted. Deferment of prepayment results in the same obligations as paying of prepayment. The balance of rents are expected in accordance with the published due dates. Payment dates are specified on billing statements. Residents shall pay without demand or notice before the date set forth and shall be paid to Wright State University, Office of the Bursar, Student Union, 3640 Colonel Glenn Hwy., Dayton, OH 45435-0001, or at such other place as the university or its assignees may, from time to time, direct. When Residence Life & Housing offers a unit to a student and they decline it, they will forfeit their prepayment prior to signing the addendum.

C. Rescinding Period

Once a student completes an apartment application and makes their required prepayment, a space will be held for that student. If the student has a change in circumstances or otherwise wishes to cancel their recently signed apartment agreement, they must provide a written notification of intent to cancel to Residence Life & Housing within three (3) business days from the date that both the application was submitted and the prepayment has been received. Validated cancellation requests that meet this requirement will be accepted, the apartment lease will be cancelled and the student will be refunded their prepayment. Cancellation requests received after the rescinding period will not be accepted and the student will be fully responsible for the terms of their housing agreement.

D. Replacement Lease Request Terms

If a resident wishes to end his / her agreement with the university, he/she must abide by the terms of the Replacement Lease Request as follows:
The resident gives permission to the Residence Life & Housing of Wright State University, to re-lease their apartment to another party. The resident also understands and agrees that if his / her apartment is re-leased to another party, he / she will vacate the apartment within 72 hours (if occupied) of notice.

Furthermore, the resident also understands and agrees that unless he / she provides a written letter withdrawing the request before the apartment is leased to another party, he / she is no longer permitted to live in the apartment after 72 hours from the time the new agreement has been signed by the new party. The resident understands that requesting to re-lease his / her apartment does not guarantee that he / she will be released from the agreement, and that future obligations remain his / her responsibility. If a resident finds their own replacement before move in day they are entitled to a $75.00 refund of their prepayment. REPLACEMENT LEASE REQUESTS WILL BE FILLED BY NEW APPLICANTS ONLY IF ALL OTHER SPACES ARE FILLED, UNLESS A QUALIFIED STUDENT REPLACEMENT IS PROVIDED BY THE STUDENT REQUESTING RELEASE. The resident agrees and understands that he / she will be responsible for the rent on the apartment up to the day a qualified replacement moves into that apartment space. This includes a reasonable period of time required by the facilities staff for maintenance / repairs and cleaning of the unit in preparation for the new incoming replacement resident. Lastly, the residents agrees to make arrangements with the Residence Life & Housing Main Office to arrange a proper check out date and time, or pay the corresponding charges for, but not limited to: improper check out and lock change. Residents currently residing in campus housing or bound by a campus housing agreement are not eligible to fulfill Replacement Lease Requests as replacement leasers. New incoming replacement lease residents will be responsible for payment of rent for the apartment from the agreed upon start date (provided the space has been prepared for occupancy), regardless of the actual physical date of occupancy. If, for some reason, the student’s assigned space is not ready for occupancy on the start date specified in the Apartment Addendum, rent charges will be prorated to reflect the date when their assigned space is actually ready.

E. Abandonment

Once a student moves into his/her assigned space, he/she is referred to as a resident. A resident’s assigned space may be declared “abandoned” if the resident is absent from his/her assigned space for at least three (3) consecutive days, combined with action/inaction on the resident’s part may indicate the student is attempting to abandon his/her assigned space. Provided the resident has paid in advance, absences of three (3) consecutive days or more would not be considered Abandonment. If the student abandons his/her assigned living space before the expiration of the housing agreement, the university shall make reasonable efforts to rent the space. However, the student remains liable for any and all rent, damages, administration charges, penalties and fees associated with their required occupancy until a qualified replacement has been found.

If the items are left unclaimed by the resident after the deadline set forth in the notice, the university will dispose of those items without any fair market value, and possibly sell those items with fair market value. Any proceeds received from sale of items with fair market value will be applied to the resident’s rent or other charges due or to become due under this agreement. The university reserves the right to dispose of any items left in the unit that is reasonably deemed to be of no market value.

F. No-Show Policy

It is a default under the terms of the Housing Application/Agreement and these Terms and Conditions if the student fails to take occupancy of his/her assigned space at the beginning of any academic semester and have not followed the procedures stated in Section II.B. and II.C. above for cancellation of the Housing Agreement. If a student is still enrolled at the University at the time he/she fails to take occupancy of his/her assigned space, he/she will be charged, as liquidated damages, all of the Room fees due for each of the remaining academic semesters left under the terms of the Housing Agreement. By the first official class day of the academic year, if a person is not enrolled as a student of the University at the time he/she fails to take occupancy of his/her assigned space, he/she will be charged, as liquidated damages, all of the Room fees due for the then-current academic semester, except that the student will be re-obligated to the agreement in the event the student re-enrolls during the term of their original housing agreement (provided space is available).
